

Join Swansfield's Parent Teacher Association (PTA)

We all want our children to succeed at school. One way to help them reach their goals is to have a strong and active PTA. We cannot do it without you—we ask for your help by joining the PTA. With your financial support and/or volunteer time, Swansfield's PTA will continue to make great things happen at school. Maybe your child will come home and tell you about something the PTA has sponsored, like:

- Hearing a storyteller, musical group, scientist or mathematician during an assembly
- Going to the Ben Carson Reading Room to read for fun
- Walking the quarter mile track during recess for fun and fitness
- Playing with new playground balls or other equipment at recess
- Working on poetry with an artist in residence
- Playing an instrument in strings or band that the PTA helped purchase
- The next Family Fun Night!

At Swansfield, the PTA offers parents the chance to work closely with staff to share concerns, be actively involved with their child's education, and strengthen our energetic and diverse community. By simply joining the Swansfield PTA you become a member of this vital home/school connection.

Membership is only \$6 per person. We encourage all adults in the family to join if you have the financial means to do so. We can accept greater donations if you are able to make a larger contribution.

Please fill out the attached envelope and return it with payment to your child's teacher in the Monday Folder. You will receive your membership card in a couple of weeks, after the forms are processed.

Thank you in advance for becoming a PTA member!

Please plan to attend the first PTA meeting on **Thursday, September 15th from 7:00 to 8:30 PM.** Childcare will be provided. We are looking forward to seeing you there!

Stay informed! Visit our NEW web site www.swansfieldpta.org regularly, and register for email notices and volunteer opportunities.
