## Paper or Electronic Newsletters?

We ask you to consider receiving electronic copies of School Administration and PTA Newsletters instead of paper copies. This will help us in our effort to remain a Green School.

To receive electronic information, you simply need to sign up with:

*<https://www.hcpsnews.com/>*  
*and*  
*<http://swansfieldpta.org/>*

If you would rather receive paper copies in the Teacher-Parent Communication Folder, which your student will bring home every Monday, please complete the form below and send it back to school in the folder.
