

Swansfield's Mighty Men

We are excited to launch the 2015-2016 Mighty Men program at Swansfield! We look forward to having fathers, grandfathers, and other special men in our students' lives get involved in our school!!

What is Mighty Men?

Mighty Men is a program for men to volunteer for a day at Swansfield. Men will greet students in the morning, help in your child's class, eat lunch with students, and play with students at recess.

Who can participate?

Dads, Grandfathers, Uncles, Stepfathers, and other special men or father-figures in students lives.

When can I do it?

We can accommodate your schedule and find a day that is convenient for you. Usually you stay for the whole school day, 8:30-3:10, but the hours can be adjusted to meet your needs.

Why should I participate?

Kids LOVE to see men in school. Your child will be proud to have you visit. Your participation sends a strong, positive message to all students that school is important. You will be a hero for the day!

How do I find out more or sign up?

To sign up return the form below. If you have questions, you can return the form below or contact Deborah Slater (SES Family Involvement Contact) by phone at school (410-313-6907) or by email (deborah_slater@hcpss.org).
